

## *10th Anniversary*

Celebrating our 10th year of producing this classic red varietal, this Syrah is grown on our family estate in Contra Costa County. The rich and spicy black fruit aromatics are beautifully integrated with exotic oak complexities. A true Celebration of our very first release a decade ago.

Celebrate with us by enjoying this deliciously versatile red with your favorite cuisine, friends and family!

### Winemakers Notes:

Cocoa powder with the nuance of orange peel. Reminiscent of cobbler made from fully ripened plum, baked apple and sweet vanilla. Finishes with just the right amount of tannin to leave the palate refreshed and desirous of another taste.

<b>Grape</b>	100% Syrah
