

SIGNATURE SERIES

Bailey is a fresh interpretation of the sumptuous wine of Condrieu, France....Viognier. This precocious white features aromatics of wild honeysuckle and pears in an alluring amalgam of haunting scents. The palate is an array of luscious fruit complexity followed by a long lingering finish. While this traditionally feminine varietal shows some of her 'tom boy' qualities in this bottling, we are certain that, like our own granddaughter Bailey, this wine will ever be the "darling" of our family of wines.
