**Appellation** Santa Lucia Highlands

**Barrel ageing** 14 months French Oak

**Alcohol** 14.3%

**Production** 100 cases

**Release date** May 2008

**TAMAYO**

From the Sleepy Hollow Vineyard in cool Monterey County, we bring our first Vineyard Designate wine out of the cellar. These 30+ year old vines are known for producing wines of intense varietal complexity, lively red fruit flavors counterpointed by an exotic spicy component.

This limited production "bohemian" Pinot Noir flirts gracefully with the masculine side of the variety without compromising the elegance and grace that make the Santa Lucia Highlands legendary.
