Cana Celebration Rosé

Our sophomore release of CANA Rosé takes a delicious 'varietal' path by including our estate grown Syrah as the featured grape. This dry blush wine displays real Syrah character with abundant aromatics of strawberry, rhubarb and notes of white pepper with some dusty cocoa. The palate is vivid with flavor and depth. Showing tastes of splashy black raspberries and refreshing acidity, this is a serious Rosé that appeals well to the avid and novice wine lover with equal endearment. Enjoy this with al fresco cuisine and grilled entrees.
